Helping people to their potential

ATTITUDE

Attitude is more important than facts.

*It is more important than the past,
than education than money,
than circumstances, than failures, than success,
than what other people think or say or do.*

*It is more important than appearance, giftedness or skill.
It will make or break a company...a home... a relationship.*

*The remarkable thing is we have a choice,
every day regarding the **attitude**
we will embrace for the day.*

We cannot change our past.

*We cannot change the fact that other people
will act in a certain way.*

We cannot change the inevitable.

*The only thing we can do is play on the one string we have,
and that is our **attitude**.*

*I am convinced that life is **10% what happens to me**
and **90 % how I react to it.***
